Tone of Voice

This is who we are as a faith-based nonprofit organization. There are numerous characteristics that define The Bowery Mission, but keep these four key characteristics in mind when you're sharing about the work we do.

Caring. This refers to the compassionate aspect of our brand, but in a more personal way. Caring implies a more intimate concern for our guests, clients, volunteers and donors—coupled with action. Caring infers being gracious, empathic, open, inviting—and loving well.

Savvy. Tempered with humility, savvy reflects The Bowery Mission's expertise, excellence, innovation, practical understanding and commitment. Our savviness comes with a strong confidence in what we do to transform lives through God's grace.

Optimistic. This captures the hopeful nature of our brand, infusing everything we do and say with a sense of possibility. We are optimistic—even enthusiastic—based on our confidence in God's promises and plans, the strength of our guests and clients to choose help, and the determination of our supporters to make a difference.

Real. We are authentic, grounded and reflective of the challenging nature of our work, but resolute to work alongside and meet the needs of everyone who walks through our Red Doors.

Our Purpose

The Bowery Mission is called to minister in the New York metro area to men, women, and children caught in the cycles of poverty, hopelessness and dependencies of many kinds, and to see their lives transformed to hope, joy, lasting productivity and eternal life through the power of Jesus Christ.

Our Goal

To be the most effective provider of compassionate care and life transformation services for hurting people in the New York metro area.
