

LEGACY OF LOVE

Since the 1870s, The Bowery Mission has served generations of New Yorkers experiencing homelessness, hunger and poverty. Every year we continue this legacy, inspired by our commitment to love well.

Homelessness in NYC

For anyone facing material hardship, New York City can be an unforgiving place to live. Nearly 48,000 people spend the night in public shelters and an estimated 1.5 million are food insecure — that's about one in every six. Sadly, many New Yorkers live on the razor's edge, just one personal crisis away from homelessness. An estimated 2,400 people are living unsheltered in the subways, on the streets of Manhattan or in one of the other boroughs.

1. Compassionate Care

Compassionate Care invites guests to Choose Help. Through hospitality, food, safe shelter, clothing, showers and medical care — tangible expressions of God's love — we meet the immediate needs of each person who walks through our Red Doors.

Last year, we provided:

-  255,000 meals
-  54,000 nights of shelter
-  20,000 articles of clothing
-  29,900 emergency showers

2. Residential & Community Programs

Residential & Community Programs help clients **Make Progress**. Clients access comprehensive services for physical, emotional, psychological and spiritual healing — all in the context of a safe, supportive community.

Last year, we served:

-  505 adults who completed a needs assessment
-  266 adults in residential programs
-  82 adults who exited residential programs with employment
-  81 adults who exited residential programs with secure housing

3. Transitional Housing & Alumni Programs

Transitional Housing & Alumni Programs inspire graduates to **Sustain & Grow**. Through transitional housing and ongoing access to services, graduates are equipped to find success beyond the walls of our programs.

Alumni continue to engage with The Bowery Mission community through reunion events and volunteer opportunities. They also have ongoing access to vocational services, and provide support and encouragement to others through sharing their own stories at chapel services, graduation ceremonies, events and more.

4. Children's Programs

Children's Programs empower children to **Thrive & Succeed**. Year-round opportunities for enrichment culminate in an unforgettable weeklong experience at our 200-acre camp in the Poconos Region of Pennsylvania, where they build lasting, healthy relationships with counselors and peers.

Last year, we served:

-  114 children & youth in year-round enrichment programs
-  174 children at Mont Lawn Family Camp
-  61 children & youth who participated in 1:1 tutoring
-  45 youth active in formal leadership training
-  19 volunteer adult mentors paired with youth
